പട്ടം പി.ഒ., തിരുവനന്തപുരം - 695 004

PCB/T4/115/97

Dated: 18/11/2020

CIRCULAR

Sub:- Consent Fee for DG set attached to mobile towers -reg
Ref:- 1. Circular No. PCB/T4/119/97 dated 17.03.2017
2. Circular No. PCB/HO/circular-01/03/2017 dated 21.11.2018.

As per the categorization of Central Pollution Control Board, stand-alone DG sets having capacity 1MVA or less and equipped with acoustic enclosures along with adequate stack height was exempted from the purview of consent management. But in order to ensure proper monitoring, Board has categorized DG sets having capacity 1MVA or less under GREEN category for considering consent to establish applications. At the time of operation, consent to operate is not required if the stipulated conditions are complied with and instead they shall obtain registration from Board for 15 years under WHITE category.

While considering applications for Registration of DG sets, which have not obtained prior consent to establish, fees shall be calculated from the year of construction of the unit along with half year fee as fine for late submission of the application. For example, for a mobile tower establishing in the year 2019, submitting application in the year 2020, if the annual consent fee is X, the consent fee to be remitted = 2X (year 2019 & 2020) + 0.5X (50 % of Annual Fee as fine for not submitting application for ICE) + Rs.500 (as Registration Fee).

Annual Consent fee = X

Then total fee = 2 X + 0.5 X + 500

Proof showing the date of commencement of construction of the establishment from the concerned authority (License of Local Body/Electrical Inspectorate) shall be produced along with application.

This circular shall come into effect from the date of issue.

Sd/-
CHAIRMAN

To

1. The Chief Environmental Engineer,
Regional Office, Trivandrum/Ernakulam/Kozhikode.
2. The Senior Environmental Engineer,
Environmental Surveillance Centre, Eloor.
